

What is the Fundraising Partnership Scheme and how can it benefit you?

Stockvale's Fundraising Partnership Scheme is a wonderful way of saving money and raising much needed extra funds, or as an incentive for your organisation. By purchasing wristbands in bulk you qualify for a large discount off the full in-park price!

The scheme has successfully run for many years, and is used by many charities, schools, and organisations (Southend Hospital, Southend Borough Council, Keymed, to name just a few) as a means of raising funds. Each year this scheme helps thousands of people save up to 50% off of our wristband price, but it also helps raise thousands of pounds for many fantastic causes and projects, and this is your chance to be a part of it!

All you need to do is purchase the minimum of 100 Blue Wristbands or 100 Green/Red Wristbands (it can be mixed). After you have joined you can top up your order with a minimum of 20 wristbands. Buying under the scheme means you pay the following:
