

ADVENTURE ISLAND

THE WORLD'S NO.1 FREE ENTRY FUN PARK!

KS1 ACTIVITY PACK

WELCOME TO ADVENTURE ISLAND

Get ready for a fun-filled day exploring rides, attractions, and learning more about how theme parks work. Complete these activities as you journey around the park!

ACTIVITY PACK
KS1

Pre-trip visit

Can you write the definition to the following words?

Gravity: _____

Push: _____

Pull: _____

Speed: _____

During your visit

Activity 1

Look at the ride Drop and Smile, your first job is to find this ride in the park. Can you then label what you see using the forces you have learnt about at school? Can you also list any adjectives you can think of to describe the ride?

ACTIVITY PACK

DURING YOUR VISIT

Activity 2

Can you watch a Rollercoaster, Slide or Swing? Then answer the following questions.

Name of the rollercoaster:

Which part goes up?

Which part goes down?

When does it go its fastest?

Is someone pushing or pulling at any point?

ACTIVITY PACK

Activity 3 Quiz

1. Name one ride that uses gravity to move.
2. What kind of material is the slide made from?
3. Choose a ride and list 3 adjectives to describe it.
4. Name a ride that moves in a circle.
5. Why do you think some rides go faster than others?
6. How much does a portion of chips cost?
7. How much does 1 doughnut cost?

Activity 4

As you walk around the park, can you tick off different materials you see?

Extra task, can you label where you have seen them?

Wood _____

Metal _____

Plastic _____

Paper _____

Glass _____

ACTIVITY PACK

After your visit

Activity 1

Design your own ride and think about the following.

How does it move? Push, pull, spin up/down? What materials are used to make your own roller coaster?

ACTIVITY PACK

Activity 2

Write a description of your favourite ride, read it to a friend and see if they can guess which ride you were describing.

ACTIVITY PACK

Additional maths resources

Activity 1 Two way table

Each ride has a certain number of visitors. Count the visitors and write the total.

Ride	Visitors
Time Machine	12
Devil's Dance	8
Vertigo	15
City Wheel	10
Carousel	9

Questions:

1. How many people are on Time Machine and Devil's Dance together?
2. Which ride has the most visitors?
3. Which ride has the fewest visitors?

Activity 2 Addition & subtraction

Solve these problems based on the number of riders.

1. There are 7 people on Carousel and 5 more joins.
How many are on the ride now?
2. 12 people are on Time Machine. 4 get off. How many remain?
3. 24 people can ride Axis. There are two empty seats,
how many people are on the ride?

ACTIVITY PACK

Additional maths resources

Activity 3 What time does the ride open

The rides open at certain times.
Fill in the missing times-

Ride	Visitors
Time Machine	12:00pm
Devil's Dance	:00pm
Vertigo	11:00am
City Wheel	:00pm
Carousel	11:30am

Questions:

1. If Devil's Dance opens 1 hour after Time Machine, what time does it open?

2. If City Wheel opens 30 minutes after Carousel, what time does it open?

Activity 4 Adding money

Tickets and snacks cost money. Solve the problems below-

1. A wristband costs £5. If you buy 2 wristbands, how much will it cost?

2. A hot dog costs £3 and a drink costs £2. How much do you pay in total?

3. You have £10. You buy a wristband for £5 and a drink for £2. How much money do you have left?
